15th Hockey India Senior Men's National Championship 2025

The 15th Hockey India Senior Men's National Championship was held from 04 to 15 April 2025 at the Major Dhyan Chand Hockey Stadium in Jhansi, Uttar Pradesh. The competitions were held with 30 teams from the country divided into Divisions 'A', 'B' and 'C'.

Kerala Hockey competed in Division 'B' in this National Championship. As per the official list available, Kerala finished in their own group with a total of 6 points, winning two out of four matches. The championship provided valuable competitive experience to the senior men's players to play against strong opponents at the national level.

The overall standard of the championship was very high. Punjab defeated Madhya Pradesh in the final to win the title, while Uttar Pradesh also secured third place. The tournament became a major platform for improving team cohesion and competitiveness at the national level.

15th Hockey India Sub-Junior Men's National Championship 2025

The 15th Hockey India Sub-Junior Men's National Championship was held in Chennai, Tamil Nadu from 28 July to 08 August 2025. The Kerala team participated in this national championship. The sub-junior men's players got the experience of playing against the best teams at the national level through this championship.

National level competitions are crucial for the growth of young players. Such competitions help in developing the players' fitness, passing, game sense, and confidence to play in pressure situations. This became a valuable competitive lesson for the Kerala team as well.

15th Hockey India Sub-Junior Women's National Championship 2025

The 15th Hockey India Sub-Junior Women's National Championship was held in Ranchi, Jharkhand from 03 to 14 July 2025. The tournament, which featured teams from various states and units of the country, was organized on a division-based competition format.

The Kerala team participated in this national championship. This championship helped the sub-junior women players to play against strong opponents at the national level, gain competitive experience, and gain mental and technical preparation for future high-level competitions.

Hosts Jharkhand performed well in the tournament and won the title.

Although Kerala's results did not translate into a major breakthrough, this participation is seen as an opportunity for young women players to understand the pace and style of play at the national level.

15th Hockey India Junior Women's National Championship 2025

The 15th Hockey India Junior Women's National Championship was held from 01 to 12 August 2025 in Kakinada, Andhra Pradesh. The Kerala team participated in this national championship. This championship helped the junior women players to face the strong competitive atmosphere at the national level and gain playing experience against high-quality teams.

This year, the tournament was organized in a division-based format. 30 teams from across the country were divided into different divisions and the matches were played. Kerala competed in Division 'B' and, according to available reports, showed remarkable fighting spirit, including one win. Jharkhand defeated Haryana in the final to win the title.

The participation of the Kerala team can be considered significant for the development of junior women's hockey in the state, as such championships help further strengthen the competitive edge of the players.

15th Hockey India Junior Men's National Championship 2025

The 15th Hockey India Junior Men's National Championship was held from 12 to 23 August 2025 in Jalandhar, Punjab. The tournament, in which 30 teams from across the country participated, was organized in Division 'A', 'B' and 'C'. The Kerala team competed in Division 'C' in this National Championship. Kerala participated in league-based competitions and gained valuable competitive experience against national-level junior men's teams. This participation helped the young players in their preparation for the upcoming national and state competitions.

It is the collective efforts of Palakkad Hockey that has enabled us to achieve so many successes in the year 2025-2026. We would also like to express our gratitude for all the support provided by Kerala Hockey.

Malappuram Hockey Unit

Malappuram Hockey is functioning as one of the active district hockey associations in Kerala as per the guidelines and rules of Kerala Hockey. Under the leadership of President Basheer Ahmed Machingal and Secretary Dr. M.S. Razavi, several developmental and competitive activities were carried out to promote hockey in the district during the year 2025-2026.

Main functions and achievements

1. District League Championship

Malappuram Hockey successfully organized the District League Championship in both boys and girls categories. More than 22 teams and 6 clubs representing various areas of Malappuram district participated. This championship played an important role in strengthening district level competitions and discovering new talents.

2. Hockey India Centenary Celebrations

As part of the Hockey India Centenary celebrations, Malappuram Hockey organised various promotional and educational activities. These included hockey quiz competitions, awareness seminars and a special invitational tournament. These events were aimed at celebrating the rich history of Indian hockey and inspiring young players towards the national sport.

3. Recognition and awards

A recognition scheme was introduced for individuals who contribute to the promotion of hockey through photography and visual media. The awards were presented to encourage creative participation and public involvement in hockey-related activities.

4. State-level achievers honored

Malappuram Hockey proudly felicitated the district players who emerged runners-up in the State Sub-Junior Girls Hockey Championship held in Kannur. The ceremony recognized the dedication, excellence and achievements of the players. District Collector Dr. Vinay Goyal and Malappuram Chairperson Rinsha attended the event.

5. Participation in state championships

Teams from Malappuram district actively participated in the State Sub-Junior Boys and Girls Hockey Championships conducted under Kerala Hockey. The girls' team performed well and won the runners-up trophy in the tournament.

6. National level representation

Three players from Malappuram district were selected to represent Kerala in the Sub-Junior National Hockey Championship. Also, the coach of the Kerala Sub-Junior team was from Malappuram district; this shows the growing contribution of the district towards the development of state and national hockey.

7. Basic Development Program

To strengthen grassroots hockey development, hockey sticks and basic equipment were distributed to five new schools in different parts of the district. The aim was to attract children to hockey at a young age and increase their participation in the national sport.

Malappuram Hockey has shown a strong commitment to the promotion and growth of hockey through tournaments, grassroots programs, state-level participation and player development activities in the year 2025–2026. The association remains dedicated to supporting the vision and goals of Kerala Hockey and nurturing the future hockey talent of the district. Also, heartfelt thanks to Kerala Hockey President Hon. Sunil Sir and Hon. Soji Sir for their support.

A team from the district participated in the state junior competition.

Although significant progress has not been made, it has been a promising year...

May you achieve great success in the coming years.

With hope.....

Kannur Hockey Unit

District League Championship

The District League Championship in the State Junior Boys and Girls categories was successfully organized at the Parathodu Kudas Ground on May 2, 3 and 4, 2025. The participation of teams from different parts of the district was a highlight of this competition.

Hockey India Centenary Celebrations

As part of the centenary celebrations of Hockey India, various promotional activities were organized at the district level. These included quiz competitions, awareness programmes and exhibition programmes. The main objective of these programmes was to bring the great tradition of Indian hockey to the new generation.

Recognition and awards

Special awards were held to recognize individuals who have contributed to the promotion of hockey through photography and visual media. This initiative was aimed at encouraging public participation and creative engagement.

Honoring state-level achievements

Kannur Hockey proudly honored the district players who were runners-up in the State Sub-Junior Girls Hockey Championship held in Kannur. The ceremony, held to recognize the dedication, excellence and achievements of the players, was attended by District Collector Dr. K.J. Jebbins, MLAs and representatives of the IT department.

Participation in state championships

Teams from Kannur district actively participated in the State Sub-Junior Boys and Girls Championships held under Kerala Hockey. The girls' team performed well and secured the runners-up position.

National level representation

Three players from Kannur district were selected to represent Kerala in the Sub-Junior National Hockey Championship. Also, the coach of the Kerala Sub-Junior team was also from Kannur district. This is a strong testament to the growth of hockey in the district.

Basic Development Program

As part of strengthening grassroots hockey development, hockey sticks and basic equipment were distributed to five new schools in the district. The aim was to attract children to hockey from an early age and increase their participation in the national sports sector.

Conclusion

Kannur Hockey has made a strong contribution to the promotion of hockey in the district through tournaments, grassroots development programmes, state level participation and player growth in the year 2025–2026. The association remains committed to supporting the goals and vision of Kerala Hockey.

Kasaragod Hockey Unit

The year 2025–26 was a very proud year for Kasaragod Hockey. It is a proud achievement for Kasaragod Hockey and the locals of Rajapuram that the district has taken over a state championship after 2021, namely the Sub-Junior Girls Championship, was successfully held at the Rajapuram Holy Family School Ground, east of Kanhangad, despite adverse weather conditions.

The effort to spread the game of hockey to more schools and children, despite limitations, is also considered a major achievement this year.

1. State Sub Junior Girls Championship in the district

Rajapuram Holy Family High School is one of the most active schools in school level hockey in Kasaragod district. When the district took over the State Sub-Junior Girls Championship, Rajapuram took it up without a second thought with the support of the children and parents who cherished hockey.

Due to adverse weather conditions, all the matches except the final were played in Rajapuram. Only the final was played at the Kollam Hockey Stadium. The locals and parents showed the hospitality of Kasaragod by providing good free food and accommodation to the participating children, parents, officials and hockey officials.

Although there was a huge financial burden to make this event a success, the fact that not even one of the eligible children in the Kasaragod district team got selected caused disappointment and protest among the parents and organizers. Although the total cost of the event was Rs. 2,60,000 , including Rs. 1,25,000 for the expenses of officials and media and video workers, Kasaragod Hockey had to bear a liability of more than Rs. 1,25,000 as it did not receive the expected assistance from Kerala Hockey.

2. School level hockey activity progress

80 hockey sticks were received from Kerala Hockey for the year 2025-26. Necessary sticks were provided to start new units in two schools. Necessary sticks were also provided to four schools that are maintaining and training hockey using the sticks distributed in previous years.

Durga Higher Secondary School, G.H.S.S. Thrikaripur, G.H.S.S. Thrikaripur (South), and G.F.V.H.S.S. Cheruvathur were also given sticks again. V.K.P. Khalid Memorial High School, Padanna was newly allotted sticks.

Hockey summer coaching camps are being held in schools like Rajapuram Holy Family High School and Durga Higher Secondary School. There are strong boys and girls teams in the sub-junior and junior categories. However, the lack of good teams in the senior category is seen as a drawback. There is a firm belief that the senior category will also strengthen in the near future.

Everyone is demanding good coaches for coaching and hockey equipment including goalkeeper kits from District Hockey. Therefore, the necessary equipment, coaches and financial and technical assistance are expected from Kerala Hockey.

3. District Championship

The district level championship and team selection for boys and girls in the sub-junior and junior categories was held at the Holy Family School Ground, Rajapuram on 2nd and 3rd May 2025. The high participation and standard of the teams in all categories was gratifying.

Although such programs are held well every year, the huge financial burden involved is more than District Hockey can bear.

Olympic Day celebration

On June 23, Olympic Day was celebrated grandly at Nileshwaram Raja's Higher Secondary School under the leadership of Kasaragod District Olympic Association, in collaboration with sports organizations including Kasaragod Hockey. There

was a group run of children who are athletes from various fields through Nileschwaram city, followed by a meeting with the participation of eminent personalities working in the field of sports and the Olympic Day message was conveyed to the children.

This activity report is being submitted as Kasaragod Hockey, which has not yet passed its infancy in the field of hockey, is trying to make maximum progress and activities in the district despite its limitations.

Conclusion

The year 2025–2026 was a critical period for Kerala Hockey, marked by both challenges and achievements. Empowerment programs conducted across various districts and at the school-college level, grassroots coaching, age-based state championships, and the excellent performances achieved by Kerala players in national and international competitions during this period helped the Association raise the popularity and quality of hockey.

At the same time, the growth of Kerala Hockey was seriously affected due to the organization's legal disputes. As court cases and inquiries dragged on, an excessive amount of energy and time had to be spent on legal matters instead of sporting development. Lakhs of rupees had to be spent from the Association's treasury for advocate fees, court expenses, stamp fees, documentation, and consultancy related to these cases.

As a result, funds that should have been allocated for developmental activities—such as training equipment for school-college hockey units, grants for camps, and coach empowerment programs—were forcibly diverted into legal processes. This significantly increased the Association's financial burden and created substantial obstacles for future plans.

The biggest challenge to hockey's development in Kerala is the qualitative and quantitative scarcity of Astro Turf (internationally approved synthetic turf) facilities. Kerala has only two turfs for hockey. Among these, the heavy fees at the Ernakulam Maharaja's turf make it inaccessible for players from ordinary families to train there. In this situation, student and academy teams lack the necessary Astro Turf facilities for regular daily training or for continuous training at state and national-level camps. In many districts, players can train only on old grass grounds or semi-grass grounds, which affects technical skills, pace and style, and injury risk.

Meanwhile, in other states, the central and state governments purposefully provide crores of rupees in annual grants for Astro Turf stadiums for hockey. This gives talents from school-college levels and academies in those states access to daily Astro Turf training and facilities for state-national camps, giving significant boosts to their performance. Additionally, other states receive full financial and administrative support from their governments to successfully host national and Asian-level hockey championships; however, the Kerala Government does not provide the necessary financial assistance or administrative facilities for Kerala Hockey to host national/Asian championships.

The financial assistance provided by the government for hockey in Kerala is limited compared to other states. Meanwhile, in other states, the government provides special schemes for hockey, subsidized turf construction, and annual operating grants, enabling players there to receive more training time and higher-quality training.

Hockey India has played a crucial role in providing accurate guidance and steadfast support in the conduct of our case and in the operations of Kerala Hockey. Hockey India has played a decisive role in both organizational and sporting/event-related activities. Through legal advice related to court matters, administrative guidance, and coaching access, Hockey India has helped strengthen the functioning of Kerala Hockey.

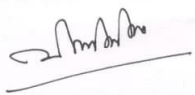

Hockey India is regarded as an excellent example among the national sports federations conducting the most coordinated work in Indian sports today. On this occasion, special thanks are recorded to Hockey India for the accurate legal and practical advice provided amid the difficulties and case proceedings faced by hockey in Kerala.

In closing this report, Kerala Hockey's beloved President Shri V. Sunil Kumar and Treasurer Shri Niyas extend heartfelt congratulations and recognition to the players, coaches, selectors, umpires, technical officials, all affiliated member units, Executive and General Body members, the Kerala Sports Council, sportspersons, the Kerala Olympic Association, Finance Officer Shri Shiji Natesan, and Kerala Hockey Office Administrator Shri Seena.

Special thanks are also extended on this occasion to "The Kerala Sports Association Members' Social Welfare Co-operative Society (KSAMSWCS)," which works to make sporting equipment available across Kerala at affordable rates.

Likewise, Kerala Hockey expresses heartfelt gratitude to Kerala Hockey Technical Committee Chairman Shri Bimaljit, Convener Shri Niyas, Selection Committee Chairman Shri E.M. Shaji, Convener Shri Ebenezer Jose, as well as Dr. Frijo S.C., who trains upcoming technical officials and umpires.

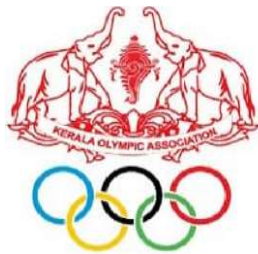

Special thanks are extended to Adv. Rijo Domy, Shri Bimaljit, Shri Jamil Kumar, Keerthi, and Seena for their valuable support in court-related matters.
